

Local window company Barrett's Windows opens doors to a new showroom in Royal Wootton Bassett

Barrett's windows are owned and run by Kevin Barrett, who has built Barrett's Windows from the start to where it is today. Kevin's family run company is based in Royal Wootton Bassett.

"Our customers are the what makes us successful. We believe that this is down to the way we look after the customer right from the beginning to the completed work and after-care. There's no high pressure sale techniques, we are an honest family business who give honest quotes and advice." says Kevin. For many years Barrett's Windows have been providing new replacement UPVC Windows and Doors to homes all over Swindon and Wiltshire. Many happy customers return to them time and time again.

Now you can see what products are on offer in a new showroom opening from 1st November right here in Royal Wootton Bassett. This is a big step for Barrett's Windows. "Customers will be able to see our products before they decide if we are the right company for them." comments Kevin Barrett. "The showroom will

be packed with doors, windows and even a bi fold door for you to look at before you buy. There will also be plenty of brochures with different designs and combinations for you to browse through."

Please give Kevin a call or email to book an appointment to come and have a look around and have a nice cup of coffee. "As we are very busy we're not always in the showroom. It is always best to call first."
